## MEDICINAL.

Love is the key-stone of a woman's life. Her fondest desire, her greatest emotion, her highest ambition is to become a loved and loving mother.

Any weakness or disease which incapacitates her to fulfill the exalted function of motherhood is the greatest enemy which she has.

But there is no reason in nature why any kind of weakness or disease should continue to torment a woman.

It makes the coming of baby almost free from pain, gives strength and cheerfulness to the mother, and constitutional vigor to the child. It is the only medicine in the world devised for this purpose by an educated physician, a skilled and experienced specialist in this particular field of practice.

"I cannot say enough in praise of Dr. Pierce's Pleasant Pellets, as it has done me a world of good and has, undoubtedly, saved my life," writes Mrs. Florence Hunter, of Corley, Logan Co., Ark. "I miscarried four times; could get no medicine to do me any good. I concluded to try the 'Pleasant Pellets' and after taking several bottles of it I made my husband a present of a fine girl. I think it is the best medicine in the world."

Dr. Pierce's Pleasant Pellets: One is a laxative, two a mild cathartic.

V. M. I. CADETS AT NASHVILLE.

A dispatch from Nashville to the Richmond Times, dated Thursday, says: "This was a day of panoply and parade, the greatest interest and numbers since the opening of Nashville's splendid exposition and the Virginia Cadets, were 'in it' from start to finish, and as usual in the far front.

The celebration was in honor of Director-General Lewis, whose master hand is seen everywhere in the big show.

Following a large trades parade was a grand military parade and review. An immense crowd filled the grounds and the people were massed solidly along the line of march.

The cadets, under command of Col. Price, the commander of the Institute, who, with his staff, were mounted, lead the parade through the streets on the grounds, which are too narrow for company formation. They made a splendid appearance in files of fours and received the lion's share of the plaudits of the multitude.

They were in full dress, with the gleaming plates and snowy shoulder straps and with fresh young faces glowing with health, youth and the excitement of the occasion. They did indeed present a beautiful sight and if their heads are not turned by the compliments and open admiration of the girls, they are past spoiling.

The great show, the almost immediate following the parade, the cadets occupying the place of Pickett's division at Gettysburg. Artillery, infantry and cavalry participated and the smoke, noise and rush of troops were inspiring. The modern breech-loading cannon and galling guns made a rapid fire on the cadets as they charged the hill in perfect line, that was unknown at the period of Gettysburg's bloody field. The cadets were the central figure in the battle and fired standing, kneeling and lying down, advancing at intervals in elegant order.

Owing to the arrangement of the battle, skirmishing was continued some time before the cadets came on the field, and much impatience was manifested by the crowd to see them and a shout of satisfaction went up when they advanced in view. The scene was both impressive and exciting. United States regulars, Confederate veterans, State militia and the cadets all taking part.

The charge of the cadets was very realistic and firing as they ran, they broke through the troops opposed to them, and swept them on to the line of something to depend on.

Mr. James Jones of the drug firm of Jones & Son, Cowden, Ill., in speaking of Dr. King's New Discovery, says that last winter his wife was attacked with La Grippe, and her condition grew so serious that physicians at Cowden and Paris could do nothing for her. It seemed to develop into a fatal Consumption. Having Dr. King's New Discovery in store, and selling lots of it, he took a bottle home, and to the surprise of all she began to get better from the first dose, and half dozen dollar bottles cured her sound and well. Dr. King's New Discovery for Consumption, Coughs and Colds is guaranteed to do this good work. Try it. Free trial bottles at E. L. Allen's Drug Store.

Those who believe chronic diarrhea to be incurable should read what Mr. P. E. Grisham, of Gaars Mills, La., has to say on the subject, viz: "I have been a sufferer from chronic diarrhea ever since the war and have tried all kinds of medicines for it. At last I found a remedy that effected a cure and that was Chamberlain's Colic, Cholera and Diarrhoea Remedy." This medicine can always be depended upon for colic, cholera morbus, dysentery and diarrhea. It is pleasant to take and never fails to effect a cure. 25 and 50 cent sizes for sale by T. H. Janney.

Thousands suffer from Catarrh or cold in head and have never tried the popular remedy. There is no longer any excuse, as a 10 cent trial size of Ely's Cream Balm can be had of your druggist or we mail it for 10 cents. Full size 50 cents.

battle termination. Before dismissing the cadets for supper, Colonel Price, the commandant, complimented them on their good record of the day and eat it down as a test for future excellence.

This is the last day of the cadets in Nashville and they are making the most of the closing hours. The attractions on the grounds to-night are numerous and enticing. Not a few were in attendance upon a fashionable hop on the grounds, to which the first class trains were invited.

Trunks were packed to-night, and at daylight Friday morning the camp will be astir for the trip to Louisville, where, by the invitation of the commercial bodies of that city, they will give an exhibition drill, and parade the streets on that afternoon. They will make the trip in full dress, starting on a special train at an early hour in the morning, immediately after breakfast.

The boys have formed many pleasant ties, and will leave with regret, as well as pleasant memories of the generous treatment of the people of Nashville.

Catarrh Cannot be Cured  
with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quick medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing catarrh. Send for testimonials, free.
